

# Retirement Resources

76 million Baby Boomers were born in the U. S. between 1946 and 1964. In 2002, the oldest of the group will be 56 and the youngest 38. Among the many changes and challenges facing Boomers is the reality or increasingly real probability of retirement. Here are some books and web sites which offer advice and planning strategies for that next major life event.

## RECOMMENDED TITLES

- 332.02401 FE**      **Alpha teach yourself retirement planning in 24 hours by Alan Feigenbaum and Lita Epstein (2002)**  
Describes 401(k) plans, pensions, SEPs, and IRAs and covers pre-retirement planning and managing retirement distributions.
- 332.02401 HE**      **J.K. Lasser's your winning retirement plan by Henry K. Hebel (2001)**  
Retired Boeing forecaster and executive helps you develop investment strategies and avoid mistaken assumptions to ensure that your assets last a lifetime.
- 332.02401 JA**      **J.K. Lasser's strategic investing after 50 by Julie Jason (2001)**  
Lawyer, personal money manager, & occasional arbitrator of investor disputes steers readers away from speculation and promises of instant riches and offers guidance about achieving lifetime financial security without undue risk.
- 332.02401 RE**      **Retire worry-free: money-smart ways to build the nest egg you'll need. 3d ed. (2001)**  
Kiplinger's Personal Finance editors help to assess your retirement needs and future social security & pension distributions and provide strategies to fill the gap between them.
- 332.02401 RO**      **Smart guide to planning for retirement by Mike Robbins (1999)**  
Tips on estimating expenses, conserving wealth, and avoiding excessive taxes.
- 613.0434 PE**      **Baby boomer body book: the complete health reference for our generation by Brian Peck (2001)**  
Clear, up-to-date, and lively explanations about diagnostic procedures and treatment of conditions and disorders common to mid-lifers.

## RETIREMENT WEB SITES

**CNNMoney:** <http://money.cnn.com/retirement/>

The editors of CNN and Money magazine offer retirement planners and calculators, investment commentary, and an ask-the-expert feature.

**Kiplinger.com:** <http://www.kiplinger.com/managing/retirement/>

Includes an IRA and 401(k) planning center, a retirement toolbox and calculators, and retirement basics, updates, and advice.

**Motley Fool:** <http://www.fool.com/retirement.htm>

Offers the not-so-foolish self-instructional tools about 401(k)s, 403(b)s, IRAs, & annuities as well as a retirement primer, planning and managing your retirement strategies, and calculators.

**Quicken.com:** <http://www.quicken.com/retirement/>

Includes information about 401(k)s, IRAs, annuities, wills & trusts plus planning tools and a learning center. Be sure to check out advice about tax implications from this producer of TurboTax.
