LISTENING TO MULTIPLE TITLES ON A CARTRIDGE

Since Hawaii State LBPH began putting multiple titles on one cartridge, some library users have experienced difficulty navigating from one book to the next. Here are two easy ways to do it.

Sequential Method:

- When you come to the end of the first book, the machine will say “end of book.”
- Press the Play/Stop button to start playing the next book.

Bookshelf Method:

- When you want to listen to a specific book on your cartridge, press and hold the Play/Stop button until the machine says “bookshelf mode,” then release.
- Tap the FF button to hear the title of the next book on the cartridge, or the RW button to hear the previous title.
- When you hear the title of the book you want to listen to, tap the Play/Stop button.

Please call Hawaii State LBPH at 733-8444 if you need any additional assistance using your talking book player.

VOLUNTEER APPRECIATION LUNCHEON

Hawaii State LBPH held its annual Volunteer Appreciation Luncheon at the Waialae Country Club on Veterans Day. Musical entertainment was provided by Papana, an ensemble of the United States Air Force Band of the Pacific. Throughout the year, our volunteers provide a great service to the library and to the community, so this luncheon was just a small token of our appreciation. To our volunteers, please know that we value your work and your devotion and consider ourselves very fortunate to be able to work with such wonderful and caring people.
